ANNEX I: REACH Tonnage Coverage Certificate

According to "Guidance on REACH Registration (Version1.4)" published by ECHA, it is necessary that the "non-Community manufacturer" provides his only representative with up-to-date information on the list of EU importers which should be covered by the registration of the only representative and the quantities imported into the EU.

We hereby issue this volume tracking and tonnage coverage certificate to show the enforcement authorities of member states that the imported product delivered to the EU entity below is covered by the (pre)registration(s) of Chemical Inspection and Regulation Service Limited (OR) and is thus REACH compliant. The EU importer below will be regarded as downstream users and thus be exempt from REACH registration. However, the EU importer remains responsible for his import from other non-EU suppliers.
